Airtech International and Tygavac Advanced Materials Ltd. reserves the right to change or modify any of the terms and conditions contained in the Site Terms or any policy or guideline of the Site, at any time and in its sole discretion. Any changes or modifications will be effective upon posting of the revisions and notice of such changes to the Site. Your continued use of this Site following the posting of its changes or modifications will constitute your acceptance of such changes or modifications. Therefore, you should frequently review the Site Terms and applicable policies from time-to-time to understand the terms and conditions that apply to your use of the Site.

By accessing, browsing, and using this site, you agree to be bound by the terms and conditions described below, all policies and guidelines incorporated by reference, and any subsequent changes to the foregoing. If you do not agree to these site terms or any subsequent modification, do not access, browse or otherwise use this site.

Site license and access

Airtech International and Tygavac Advanced Materials Ltd. grant you a limited license to make personal use only of the Site.

You may not use, frame or utilize framing techniques to enclose any Airtech International trademark, logo or other proprietary information (including the images found at this Site, the content of any text or the layout/design of any page or form contained on a page) without Airtech International's or Tygavac's express written consent. Further, you may not use any media tags or any other "hidden text" utilizing an Airtech International name or Tygavac Advanced Materials name, trademark, or product name without Airtech International's or Tygavac's express written consent.

Any unauthorized use of this Site will terminate the permission or license granted by these Site Terms and may violate applicable law including copyright laws, trademark laws (including trade dress), and communications regulations and statutes. All violators will be prosecuted to the fullest extent of the law.

Copyright

All copyrighted and copyrightable materials on this Site, including, without limitation, the design, text, graphics, pictures, sound files and other files, and the selection and arrangement thereof are copyrighted, all rights reserved, by Airtech International and Tygavac Advanced Materials. Except as stated herein, none of the materials may be copied, reproduced, distributed, republished, downloaded, displayed, posted or transmitted in any form or by any means, including, but not limited to, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of Airtech International, Tygavac Advanced Materials or the respective copyright owner. Permission is granted to display, copy, distribute and download the materials on this Site for personal, non-commercial, and informational use only; provided that, you may not, without the permission of Airtech International, Tygavac Advanced Materials Ltd. or the respective copyright owner, (a) copy, publish, or post any materials on any computer network or broadcast or publications media, (b) modify the materials, and (c) remove or alter any copyright and other proprietary notices contained in the materials.

Any total or partial reproduction of these brands and logos from the site without the formal authorization of Airtech International or Tygavac Advanced Materials Ltd. is strictly forbidden.

Disclaimers

This site and the materials contained herein are provided on an "as is" basis without warranties of any kind, either express or implied. You expressly agree that use of this site, including all content, data or software distributed by, downloaded or accessed from or through this site, is at your sole risk.

Warranty disclaimer. Airtech International and Tygavac Advanced Materials Ltd. disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement as to the information, materials, content, services and products on the site. Collecting and using information about you

Airtech International and Tygavac Advanced Materials Ltd. is committed to respecting your privacy and recognizing your need for appropriate protection and management of personal information you share with us (the phrase "personal information" means any information by which you can be identified, such as your name, mailing address, email address, telephone number, etc.).

Whether or not to provide such information is completely your own choice. But if you choose not to provide the information we request, you may be unable to purchase products, or access certain services, offers and content on our web site. In addition, we may need to contact you via phone, email or mail to address questions or issues specific to your order, entry, etc., even if you have opted to not receive communications from us.

We use the personal information you provide for internal purposes, such as confirming your order, subscription or registration, analyzing trends and statistics, informing you of our new products, services and offers, and providing you with information from and about Airtech International and Tygavac Advanced Materials Ltd.

Although unlikely, in certain instances we may disclose your personal information when we have reason to believe that it is necessary to identify, contact or bring legal action against persons or entities that may be causing injury to you, to Airtech International, Tygavac Advanced Materials Ltd. or to others. We may also disclose your personal information when we believe the law requires it.
