

Vacuum Fittings and Accessories

Tygavac vacuum fittings and accessories offer a complete vacuum line extraction system. The product range consists of vacuum bag connectors; quick disconnect valves, hoses, vacuum pumps and numerous accessories. Choice of items is dependant upon application, particularly for vacuum fittings where temperature is an important consideration.

Tygavac Product	Application	Maximum Service temperature (°C)
Connector 440	Vacuum connections through vacuum bag films	260
Connector 440/1	Vacuum connections through vacuum bag films	260
Valves 440BF/TF	Double shut off vacuum valve with high temp seals	260
